

Registration and Accommodation Fund

CLAQUITO 2017

To enable the participation of undergraduate and graduate students who are interested in attending the XXII Latin American Colloquium of Algebra, the School of Physical Sciences and Mathematics of the Pontifical Catholic University of Ecuador offers two types of assistance:

1. Full Payment of the enrollment fees in the "early enrollment" period. Aid applications requesting full payment of registration fees must be sent to claquito2017@puce.edu.ec until Thursday, April 27, 2017.
2. Assistance for accommodation. Those participants interested in this type of aid should choose one of the following possibilities:
 - Accommodation with a host family. Cost: USD 20.00 per day
 - Accommodation in the home of connected people of PUCE- Quito. Free of charge.

The two possibilities for accommodation **do not include** payment for transportation to and from the airport or the bus station.

If you prefer to stay with a host family, please review the following information:

Host Family Commitments

- Provide the participant with a private bedroom. Under no circumstances will the participant share the room with another family member.
- Provide the participant with 3 meals a day (breakfast, lunch and dinner) and set the meal schedule together with the participant, taking into account their academic activities.
- Share at least two of the three meals a day with the participant.
- Inform the participant of the fundamental rules of cohabitation and conduct at home.
- Give the participant a copy of the house keys, to facilitate free access to it. Upon completion of the accommodation period, the participant must return the copy of the keys to the host family.
- Respect the religious beliefs and customs of the participant, noting that this does not detract from the host family's welfare.
- Provide a safe and welcoming environment that fosters trust and friendship between the participant and the family.
- Respect their independent lifestyle.
- Provide clothes washing and ironing.
- Provide a hot water bath daily.
- Do not borrow money from the participant.
- Make sure the participant know how to contact their family members, friends and others who can support him or her.

Faculty of Exact and Natural Sciences
School of Physical Sciences and Mathematics

- Respetar su estilo de vida independiente.
- Proveerle el lavado y planchado de la ropa.
- Proporcionarle agua caliente suficiente para el baño diario.
- No pedir prestado dinero al estudiante.
- Asegurarse de que el estudiante sepa cómo contactar a los familiares, amigos y otras personas que puedan brindarle apoyo.
